Profile

My goal is to get a cooperative education position in an environment where my programming and/or design skills can flourish to create innovative and captivating experiences. Available summer of 2019.

Work Experience

Electronics Sales Associate

Wal-Mart | Northborough, MA | June 2017 - Aug. 2017

- Provided excellent customer service by engaging with customers, answering questions, and encouraging sales
- Assisted with basic technical support

Student Notetaker

RIT Disability Services | Rochester, NY | Oct. 2017 - Dec. 2017

- Created high-quality discrete mathematics notes for students with disabilities

Brand Associate

Old Navy | Marlborough, MA | June 2018 - Present

- Answered questions, processed sales transactions, and informed customers about the latest sales, products, and styles
- Maintained a clean working environment and kept all merchandise organized and priced correctly

IGM Ambassador Tour Guide

RIT Interactive School of Games and Media | Rochester, NY | Sep. 2018 - Present

- Met with, answered questions, and provided tours of the IGM facilities to prospective students and families
- Completed tasks for the IGM staff when not giving tours

Projects

Mini Savage: Golf Edition

Champlain College Game Academy | Champlain, VT | June 2016

- Fully-functional, golf-themed game created by myself and three others over the course of two weeks
- Produced using C#, Unity, and Maya
